**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic a local ISP that has helped connect neighborhoods to fiber for less than I would pay for slower internet with AT&T. They help make fast internet access accessible and they wouldn't be able to do what they do today without the 1996 Telecommunications Act. Please help keep our internet infrastructure modern and accessible by supporting competition.
